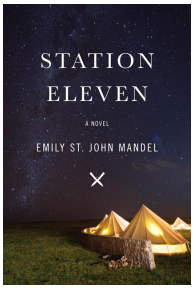
The BIG READ



What is the Big Read?

A program of the National Endowment for the Arts, NEA Big Read broadens our understanding of our world, our communities, and ourselves through the joy of sharing a good book. Managed by Arts Midwest, this initiative offers grants to support innovative community reading programs designed around a single book. Read with us and check out all the free events and programs taking place throughout September and October 2017. For more information, visit www.JMCReads.org. Our Big Read selection for 2017 is:
